

NEW IMAGE JANITORIAL SERVICES

HEALTH-FOCUSED COMMERCIAL CLEANING PROGRAMS YOU CAN RELY ON

Consistent, accountable, and customized interior cleaning solutions designed to protect people, spaces, and operations.

JANITORIAL SERVICES OVERVIEW

Once inside your facility, cleanliness directly impacts health, safety, productivity, and perception. New Image Building Services delivers comprehensive janitorial programs built around your environment, usage, and compliance needs, not a one-size-fits-all checklist.

We've been cleaning for health long before the pandemic, and that commitment continues today through advanced processes, technology-driven accountability, and proactive service management.

Our janitorial services are designed to:

- Improve indoor health and hygiene
- Maintain professional appearance standards
- Reduce operational disruptions
- Support regulated and high-traffic environments

LET'S START THE CONVERSATION

Whether you're reviewing current janitorial performance or exploring a more consistent, health-focused cleaning program, our team is ready to help.

COMPREHENSIVE COMMERCIAL CLEANING SERVICES

Full-Service Interior Janitorial Programs

- Daily, nightly, and customized cleaning schedules
- Programs tailored to building use, occupancy, and budget
- Consistent staffing and reliable service delivery

Green Cleaning & Disinfection

- Environmentally responsible products and processes
- High-touch and high-traffic area protocols
- ATP testing and verification where required

Specialized Cleaning Services

- Carpet and upholstery cleaning
- Hard-surface floor care and maintenance
- Window cleaning and wall washing

Project & Supplemental Cleaning

- Construction and post-construction cleaning
- Day porter and event cleaning services
- 24/7 emergency restoration and flood protection

TECHNOLOGY-DRIVEN ACCOUNTABILITY

To ensure consistency and transparency, New Image integrates technology into every janitorial program:

- Workforce management software with real-time service verification
- Data-driven reporting and performance tracking
- Clear visibility into completed work and service levels

This approach allows us to maintain high standards while continuously identifying opportunities for improvement and efficiency.

WHY ORGANIZATIONS CHOOSE NEW IMAGE

Organizations partner with New Image because we deliver janitorial services that are measurable, accountable, and built for long-term performance.

- Health-first, compliance-driven cleaning programs
- Technology-enabled service verification and reporting

ABOUT NEW IMAGE BUILDING SERVICES

Since 1988, New Image Building Services has been a trusted partner for organizations seeking dependable commercial cleaning and integrated facility solutions. Serving clients locally, nationally, and internationally, we continue to invest in strategic partnerships, advanced technology, and expanded capabilities to deliver greater value across every facility we support.

"New Image was committed to health long before the pandemic. That commitment continues today through advanced technology, initiative-taking service models, and a culture built on accountability, responsiveness, and continuous improvement."

— Jim Wallace, COO
